

## Siguiri Gold IPO Update

Siguiri Gold Ltd (proposed ASX code: **SGD**, “**Siguiri Gold**” or the “**Company**”) is pleased to provide an update on its Initial Public Offering (**IPO**).

The Australian Securities Exchange (**ASX**) is continuing to review the listing application lodged by Siguiri Gold and the Company will therefore not commence trading on the ASX today as initially outlined by the timetable in the IPO Prospectus.

The IPO has to date successfully progressed towards the proposed listing. The Company will update investors with a new date for quotation on ASX once the listing application has been granted.

Siguiri Gold is focused on the exploration and development of the Siguiri Gold Project (**SGP**) in Guinea, West Africa. The Company is targeting a low-cost, bulk-tonnage, and at-surface open pit mining operation. Following completion of the IPO, the Company will continue the exploration and development of the Siguiri Gold Project as it works towards delivering a maiden resource in Q1/H1 2025.
